

# LED Lighting for Industry

*We offer a wide range of LED machine lamps  
designed for industrial applications.*

Our products are known for high efficiency, durability, and energy-saving features, ensuring optimal lighting in demanding work environments. With a focus on innovation and quality, ScandiLED meets the needs of modern industrial businesses.

## SCANDILED CNCF9

### Round LED Machine Lamp

Scandiled's robust IP-rated round LED machine lamp is made of aluminum alloy and toughened glass, making it resistant to coolants and lubricants. It can also withstand temporary immersion without issue.

1200mm - Consumption: 40W - Lumen: 3950lm  
100-240V AC (SKU: 73220) *eller* 24V AC/DC (SKU: 73221)  
Price: 190 €\*

822mm - Consumption: 24W - Lumen: 2397lm  
100-240V AC (SKU: 70001) *eller* 24V AC/DC (SKU: 70005)  
Price: 161 €\*

622mm - Consumption: 20W - Lumen: 1998lm  
100-240V AC (SKU: 70002) *eller* 24V AC/DC (SKU: 70006)  
Price: 147 €\*

422mm - Consumption: 14W - Lumen: 1418lm  
100-240V AC (SKU: 70003) *eller* 24V AC/DC (SKU: 70007)  
Price: 134 €\*

282mm - Consumption: 10W - Lumen: 965lm  
100-240V AC (SKU: 70004) *eller* 24V AC/DC (SKU: 70008)  
Price: 114 €\*

## SCANDILED CNCF9P

### Square LED Machine Lamp

Scandiled's square machine lamp is a versatile and durable lighting solution designed for industrial environments. With an adjustable angle and IP66 protection, this lamp is ideal for demanding working conditions.

300mm - Consumption: 12W - 24V DC (SKU: 70013) Price: 134 €\*

400mm - Consumption: 20W - 24V DC (SKU: 70012) Price: 147 €\*

600mm - Consumption: 28W - 24V DC (SKU: 70011) Price: 161 €\*

## SCANDILED CNCF9Q

### Flat LED Machine Lamp for Installation

Scandiled's flat LED machine lamp for installation is a specially designed lighting solution that fits perfectly in machining centers and other demanding industrial environments. Made from aluminum alloy and toughened glass, this lamp is resistant to coolants, lubricants, and is waterproof, ensuring long-lasting durability.

430mm - Consumption: 24W - Lumen: 2400lm  
100-240V AC (SKU: 70021) *eller* 24V DC (SKU: 70024)  
Price: 161 €\*

360mm - Consumption: 18W - Lumen: 1800lm  
100-240V AC (SKU: 70022) *eller* 24V DC (SKU: 70025)  
Price: 147 €\*

280mm - Consumption: 12W - Lumen: 1200lm  
100-240V AC (SKU: 70023) *eller* 24V DC (SKU: 70026)  
Price: 134 €\*

### SCANDILED CNCF3

#### *Waterproof LED Machine Lamp with 550mm Gooseneck*

Scandiled's waterproof gooseneck lamp is a versatile and durable lighting solution, ideal for smaller industrial environments. Made from aluminum alloy and toughened glass, this lamp offers high resistance to coolants, lubricants, and temporary immersion.

550mm - Consumption: 5W - Lumen: 320lm  
100-240V AC (SKU: 70061) *eller* 24V DC (SKU:70062)  
Price: 101 €\*

### SCANDILED CNC3M

#### *Waterproof LED Machine Lamp with 350mm Gooseneck & Magnet*

Scandiled's magnetic machine lamp is a practical and flexible lighting solution, ideal for machine maintenance. With IP65 protection and a flexible hose, this lamp can be easily positioned anywhere during repairs, making it an indispensable tool for the maintenance team.

350mm - Consumption: 4,5W  
100-240V AC (SKU: 70051) *eller* 24V DC (SKU: 70052)  
Price: 134 €\*

### SCANDILED CNCF5

#### *LED Machine Lamp with Short Arm*

Scandiled's LED machine lamp with a short arm is designed to provide reliable lighting in compact industrial environments. Made from aluminum alloy and toughened glass, this robust lamp offers a high IP rating, making it resistant to coolants, lubricants, and temporary immersion.

95mm - Consumption: 9W - Lumen: 830lm  
100-240V AC (SKU: 70031) *eller* 24V DC (SKU: 70032)  
Price: 147 €\*

### SCANDILED CNCF6

#### *LED Machine Lamp with 460mm Arm*

Scandiled's long-arm machine lamp is a robust and reliable lighting solution designed for demanding industrial environments. Made from aluminum alloy and toughened glass, this lamp offers high resistance to coolants, lubricants, and temporary immersion.

460mm - Consumption: 9,5W - Lumen: 830lm  
100-240V AC (SKU: 70041) *eller* 24V DC (SKU: 70042)  
Price: 161 €\*

## SCANDILED CNCQ4

### *Foldable LED Light Tower w. buzzer*

ScandiLED's Tall Light Towers is a versatile and efficient lighting solution designed to indicate status in industrial environments. Made from polycarbonate (PC) and aluminum alloy, these light towers has a diameter of 50 mm and is designed in a foldable type, making it easy to transport and install.

Diameter: ø50mm Length: 355mm

Single color - 24V DC PNP (SKU: 700071) *eller* 24V DC NPN (SKU: 700072)

Multicolor- 24V DC PNP (SKU: 700073) *eller* 24V DC NPN (SKU: 700074)

Price: 100 €\*

*Our range includes different models  
and specifications to provide the right solution  
for any application.*

- Delivered ready for use with wiring
- All models come ready for mounting with necessary brackets
- Uses significantly less power compared to older fluorescent tubes
- Tested in harsh environments
- All of our lamps are CE marked & FCC certified!

\* Prices are exclusive of VAT and shipping costs.  
We reserve the right to make printing errors and price changes.
